IMPORTED Royal Dutch AMARYLLIS

Widely publicized in the flower magazines and general publications, the new, improved Dutch Hybrid Amaryllis (Hippeastrum) are in good demand. For their mammoth, majestic blooms, up to 8" across, and superb color and form, they easily justify the premium prices which they command. The mammoth size bulbs which we import, measuring fully 3¼"-3½" in diameter, make several blooms to the stem and usually two stems per bulb. They make a truly sensational pot plant and the blooms are long lasting. Available in color varieties as listed below. Finest strain available, imported from old-established Holland grower. Guaranteed true to color.
